It is to draw your attention to the above refereed letters vide which the officials from the Environment Planning & Coordination Organisation (EPCO) and M.P. Pollution Control Board (MPPCB) were nominated for verification of data being submitted by the ULBs on quarterly basis under Green City Index Ranking scheme. This scheme has been launched by Deptt. of Environment, GoMP with the basic objective to underline and promote the environment friendly activities in the State by developing a healthy competitive spirit amongst all the local bodies for betterment of the local conditions.

The verification and evaluation process for 3rd Quarter data is underway which would be followed by the last quarter for finalization of green city ranking. The MPPCB has already nominated its Regional officers for the ongoing task.
