No. 38 /HOPCB/ERC/2023

Bhopal, Dt: 21/03/2023

To,

**The Commissioner
Directorate of Urban Administration & Development
Palika Bhawan, Shivaji Nagar,
Bhopal - 462016 (M.P.)**

Sub : Information regarding Green City Index on UADD Portal.

Ref. : Deptt. of Environment, GoMP letter no. 259/103/32-3, dated 09.03.2022 and subsequent letter No. 313/103/32-3, dated 17.03.2022

The GoMP has launched a Green City Index Ranking scheme vide aforesaid reference with the basic objective to underline and promote the environment friendly activities in the State. The scheme aims to develop a healthy competitive spirit amongst all the local bodies for betterment of the local conditions and the environment as a whole. The ranking is based on weightage based five criteria parameters viz. Urban green growth, Plantation, Air Quality, Renewable energy and Green transportation.

All the Municipal Corporations are required to upload the quarterly data of criteria parameters on the UADD Portal <http://164.100.196.30:8090/Green/View/Green1.0/Homepage.html#/> which is subject to field verification for ranking purpose.

While examining the data it is observed that few of the Municipal corporations have yet not uploaded the requisite information of 3rd quarter, i.e. October to December 2022, on the portal causing delay in analysis process. It is, therefore, requested to direct the concerned to update the 3rd Quarter information on the portal to enable us to complete the analysis process.

An early action in this activity of environment interest is thankfully anticipated.

Yours Faithfully,

**Chandra Mohan Thakur (IAS)
Member Secretary**
