No. 486 /HOPCB/ERC/2019

Bhopal, Dt: 27/07/2019

## PRIORITY MATTER

To,

**Regional Officer / Laboratory Incharge  
M.P. Pollution Control Board  
Bhopal/Indore/Gwalior/Jabalpur/Rewa  
Sagar/Chhindwara/Singrauli/Satna/ Shahdol  
Guna/Dewas/Katni/ Dhar/Ujjain/ Pithampur**

**Sub : Compliance of Remote Calibration Facility by Industries - reg.**

Ref. : 1. CPCB D.O. Letter No. C-12011/33/2017-18/Tech dated 13.04.2018.  
2. This office letter No. 129/HOPCB/ERC, dated 04.05.2018 and no. 195/HOPCB/ERC, dated 04.07.2018

The Govt. of India has developed a self-regulatory mechanism for industries and as part of compliance the industries have installed real-time monitoring systems, including online continuous emission monitoring systems (OCEMS), at their establishments and have provided credentials to the MPPCB to access the real-time data.

In this context, it is reiterated that for proper operation of OCEMS a regular calibration is important to put a check on possible tampering and ensure reliability of data. Owing to importance of genuineness of data, a condition is also imposed in the consent letters to the industries for providing 'remote calibration facility' at each gaseous OCEMS.

It is expected that all the industries under your jurisdiction have complied the provision of remote calibration facility by now. It is requested to send the industry-wise compliance status report to the Environment Surveillance Centre for review and onward action.

Yours Faithfully,

**(R.S. Kori)  
Member Secretary**
