No. 213 /HOPCB/ERC/2023

Bhopal, Dt: 10 / 11 / 2023

To,

**The Regional Officer
M.P. Pollution Control Board
Bhopal/Indore/Guna/Gwalior/Jabalpur/Katni/
Rewa/Sagar/Chhindwara/Shahdol/Singrauli/
Satna/Ujjain/ Pithampur/Mandideep**

Sub : Coordination with industries to facilitate for collection of data and samples under GEF-UNEP Project.

Ref. : CPCB Delhi letter No. B-29016/IPC-1/2647, dated 12.09.2023.

The India is a party to the Stockholm Convention and, therefore, requires to fulfil the obligations stated therein. A total of 35 chemicals are listed as POPs, India ratified 19 chemicals, of which inventory is to be developed. The MoEF&CC is the coordinating agency in this matter. The CSIR- NEERI, Nagpur is implementing the project "Review and update of National Implementation Plan on Persistent Organic Pollutants (POPs)" in the country.

The CSIR officials of NEERI, IITR and NIIST shall visit to collect the data, and may also collect the samples of raw materials, from the target industries. The nature of data includes raw materials used by the industries, product manufacturing, import/export, emissions etc.

In view of above it is urged to coordinate with the industries/stake-holders to facilitate the collection of data by the visiting team of CSIR. A copy of the referred letter is attached herewith for ready reference.

Yours Faithfully,

(Dr. A.K. Saxena)
Sr. Scientific Officer

To,

The Member Secretary
Madhya Pradesh State Pollution Control Board
Paryavaran Parisar, E-5 Arera Colony
Bhopal – 462016
Madhya Pradesh

Sub: Request for Coordination and facilitation with Industries/Stakeholders for the collection of data and samples- reg.

Ref: Letter No. F. No. 22-19/2016-HSMD dated 23/01/2023 issued by MoEF & CC (copy enclosed).

Sir,

CSIR-National Environmental Engineering Research Institute (NEERI), Nagpur is implementing the Global Environment Facility (GEF)-UNEP funded project "Review and update of National Implementation Plan (NIP) on Persistent Organic Pollutants (POPs). This project is taken up to fulfil the obligations of India to Stockholm Convention. The Ministry of Environment, Forest and Climate Change (MoEF & CC) is the coordinating agency of the project and the project is monitored by National Coordination Committee (NCC), under the Chairmanship of Additional Secretary, MoEF & CC. CSIR-NEERI is the lead Executing Agency (LEA) and Central Pollution Control Board (CPCB), CSIR-National Institute of Interdisciplinary Science and Technology (NIIST), Trivandrum, and CSIR-Indian Institute of Toxicological Research (IITR), Lucknow are co-LEAs.

NIP is a Govt. of India document, that give comprehensive data/details on manufacture, POPs in articles/waste, import/export, industrial sector-wise use, environmental levels, contaminated sites, health, and socioeconomic implications, alternatives to POPs etc. So far 35 chemicals are listed as POPs of which India ratified 19 chemicals. However, inventory need to be developed for all 35 chemicals (Annexure-I). Also, List of Persistent Organic Pollutants (PoPs) and their possible emitting sectors is attached as Annexure-II. (Sent by e-mail)

In order to carry out this work, CSIR-NEERI, CSIR-IITR and CSIR-NIIST, Scientists/Project Staff will approach SPCBs/PCCs. It is requested to coordinate with industries/stakeholders to facilitate the collection of data about manufacturing, raw materials used, emission, import/export of raw materials/products etc. Samples of raw materials/products/waste are also required to estimate the POPs content. Also, SPCBs/PCCs are requested to provide the relevant data available with them.

Encl: as above

Yours faithfully,
