Bhopal / Gwalior / Indore / Jabalpur (M.P.)**

Sub: Joint Inspection of identified CAAQMS sites under your jurisdiction.

Ref. : Meeting held at Regional Directorate, CPCB on 31.07.2017.

This is in continuation to the previous letters regarding setting up of CAAQMS in Million-plus cities under CSR Fund. The names of proposed locations for CAAQMS have already been received from your office and it is expected that other necessary preparatory processes also must have been completed by your office by now, including written permission for the selected sites from the concerned agencies, suitability of leased line and electricity connections at site at the time of installation etc. The CPCB intends to make a joint visit of the selected CAAQMS sites for finalization.

As per decision taken in the regional meeting of CPCB at Bhopal on 31.07.2017, attended by officials of MPPCB, CECB and RSPCB, ensure following compliance on priority basis to maintain the project timeline :

1. Communicate the suitable dates for joint inspection of selected sites by CPCB and MPPCB.
2. Nominate a Nodal Officer for CAAQMS project and send the contact details.

The above information is expected from your end within a week's time to enable us to forward the same to the CPCB for onward action.

Encl. : Minutes of the meeting.

Yours Faithfully,
