No. 557 /HOPCB/ERC/2019

Bhopal, Dt: 04/11 /2019

To,

**The Occupier of the Industry**

(As per the Enclosed List) ✓

**Sub : Workshop-cum-Review Meet at Bhopal on 11/12/2019 on Implementation of Real-time Monitoring Programme.**

The GoI has initiated a mechanism of self-monitoring of compliance under which the target industries are required to install real-time monitoring systems (RTMS) and establish connectivity with MPPCB and ensure an uninterrupted operation of RTMS with >85% uptime frequency of data. The quality and reliability of data is a pre-requisite.

As part of compliance the industries and the common facilities have installed the RTMS but the synchronization is still not satisfactory for one or other reason. The connectivity with central server platform, performance check, control of camera PTZ functions, calibration of RTMS, monitoring of all the required parameters etc are among the issues which need to be focussed and attended on priority for smooth operation of surveillance mechanism to achieve the targeted objectives.

In view of above, and in order to develop a better understanding and provide a platform to the industries to interact with the experts, a one-day Workshop-cum-Review Meet is organised at Bhopal as follows :

<b>Date</b>	-	<b>Wednesday, 11<sup>th</sup> December 2019</b>
<b>Time</b>	-	10.30 am to 6 pm
<b>Registration</b>	-	9.30 am
<b>Venue</b>	-	Auditorium, Lake Conservation Authority, Paryawaran Parisar, E-5 Sector, Arera Colony, Bhopal – 16
<b>Contact</b>	-	Dr. Rajendra Chaturvedi, Scientist, ERC, MPPCB Ph. : 0755-2469180, 8989879758; E.mail : ercmppcb@nic.in

It is urged to depute your one responsible person to participate in the programme in the larger interest of environment and for better implementation of Real-time Monitoring Programme in the State. An early line of confirmation, with name and contact details of the participant, from your end is highly appreciated.

Yours Faithfully,
