Sub : Notice for Non Compliance of Real-time Monitoring Provisions – reg.

Ref. ; This Office Letters no. 229/ERC/dated 21.07.2016, no. 344/ERC/dated 19.12.2016/ no. 448/ERC/dated 16.03.2017, no. 39/ERC/dated 13.04.2017 and no. 389/ERC/dated 20.11.2017

It is regretted to note that despite repetitive reminders your industry/facility has not complied with the provisions of real-time monitoring till date. The installation of PTZ camera and its connectivity with MPPCB is long pending. The emission (CEMS) data is also not available on cloud nor it is accessible live from MPPCB. This lapse is an act of serious violation and non-compliance of environmental norms.

As the sufficient opportunity has already been given to you for compliance of environmental protocols, a last opportunity is given hereby to submit your reply within 10 days time from the issuance of this letter failing which MPPCB will be free to initiate action against the industry. This be considered as the Final Reminder.

Yours Faithfully,
