Sub: Risk Studies to be undertaken by Industries dealing with Hazardous Chemicals.

Ref. : CPCB letter no. 14847 dated 04.01.2021 and NGT Order dated 08.06.2020.

As per order dated 08.06.2020 passed by H'ble National Green Tribunal in Original Application No. 22/2020, all the industries dealing with hazardous chemicals are required to undertake the Risk Studies and their onsite and off-site emergency plans should be operational and mock-drills are carried out for testing the same. The CPCB's referred letter in this regard is attached herewith for further reference.

In view of above it is urged to ensure strict compliance as intended in the referred letter and submit the Action Taken Report in the matter at earliest for onward necessary action and to communicate the same to the CPCB, Delhi.

Yours Faithfully,
Encl. : A/a.

Vijay Kumar

To

The Member Secretary,

All State Pollution Control Boards/Pollution Control Committees

(As per list attached)

Sub: Risk studies to be undertaken by all industries dealing with the hazardous chemicals in compliance with the order passed by Hon'ble NGT-reg.

Sir

This has reference to para 14 of the order dated 08.06.2020 passed by Hon'ble National Green Tribunal in Original Application No. 22/2020 (the matter of Aryavart Foundation through its President Applicant(s) Versus Yashyashvi Rasayan Pvt. Ltd. & Anr.) which is reproduced below:

"Since this tragedy follows so close on the heels of a similar one (in Vizag), it may be necessary to ensure that risk studies are duly undertaken by all industries in the country dealing with the hazardous chemicals and their on-site and off-site plans are operational and mock drills are carried out for testing the same. The State PCBs, concerned District Magistrates, CIFs of the Industries Departments may ensure the same and the nodal agency for the purpose will be the State PCBs, which may be monitored by the CPCB in an appropriate manner."

Further, Central Pollution Control Board has already issued directions under Section 18 (1) (b) of the Water Act, 1974 and Section 18 (1) (b) of the Air Act, 1981 on 07.11.2017 for effective implementation of The Manufacture, Storage and Import of Hazardous Chemical Rules, 1989 and communication dated 08.05.2020 regarding strict safety precautions to be taken by the industrial units before resuming operations.

In view of above, it is requested to ensure the necessary actions are taken in compliance to order passed by Hon'ble NGT.

The action taken report shall be submitted to Central Pollution Control Board at the earliest.

Yours Faithfully
